Bonjour Elizabeth and Pierre

Thank you again for the photo, a lovely momento of our wonderful stay. We are now in Paris and enjoying every day with lots to see, full itinerary. We would love to make a comment re our stay at La Plantade online and also will be recommending to our friends in Australia.

I was wondering if you came across a red jacket in the cupboard of the bedroom with three beds. It is a light weight jacket and hence I did not notice it was not at the bottom of the suitcase until we arrived in Paris, which is where I thought I would get to wear it. If you do find it please let me know and then we can work out the postage costs to send to Australia.

Many thanks and best wishes  
Jacqui
