Hello Elisabeth and Pierre,

Thank you so much for the stay at your place. Everything were perfect for our vacation in Provence by stayimg at you.

And thank you for the picture too - will try to send of you too when we Get home.

And we had a fine trip to Carcassonne - a nice town. So we stay at a hotel right by the Canal Midi here and look down at a lock where the boats go up and down.

Wish you all the best too.

Kind regards from

May and Morten
